Dear Applicant,

We have received your request for national phase entry for PCT application number PCT/RU2022/000372 and it has entered national phase.

Your Standard patent application number is: 2022473944

This application was filed on: 14 December 2022

The national phase entry date is: 5 February 2025

What you need to do now

- **Check your details** – attached to this letter are the details of your application. Please review your details to ensure they are correct.

What you can do

- **Request a preliminary search and opinion** – this is optional and can be requested at any time before the filing of a request for examination. It provides an opinion listing documents disclosing inventions similar to yours as well as an explanation of their relevance.

Things to be aware of

- **Request for examination** – you will need to request examination within five years of your filing date (14 December 2022). The Commissioner will typically direct you to request examination after four years if you have not done so already.
- **Pay annual continuation fees to keep your application active** – the due date of the first fee is 14 December 2026.
